

# Upper Elementary Supply List

We ask that you please purchase **ONLY** the items on this list and avoid the temptation of extra items (such as glitter glue and character themed pencils). Together we can avoid an environment where some children perhaps feel deprived if they do not have the “latest” school supply. The elementary class pools all supplies, with the exception of thumb drives and gym shoes, in the community - **so make sure that you do not label supplies or that your child is not attached to any particular pencils or other items.** We thank you in advance for your cooperation on this important issue. Prepared students are productive students!
