

Lower Elementary Classroom Material List

We strongly request that you please purchase ONLY the items on this list and avoid the temptation of extra items (such as glitter glue and character themed pencils). Together we can avoid an environment where some children perhaps feel deprived if they do not have the “latest” school supply. The elementary class pools most supplies in the community - so make sure that you **do not label supplies** or that your child is not attached to any particular pencils or other items. We thank you in advance for your cooperation on this important issue. Prepared students are productive students!
