

Highland Community School Student Pledge

I promise to keep my friends and family safe by:

Learning New Rules

I know school will be different and promise to listen to my school leaders and teachers and trust and follow their directions, even if the rules are new to me.

Washing My Hands

Throughout the day, I will wash my hands frequently for 20 seconds and use hand sanitizer.

Keeping My Distance

I will stay 6 feet from classmates and adults - school will have floor stickers and my teachers and school staff will help me!

Covering my sneeze or cough

I will keep my mask on when I need to sneeze and can always change into a clean one! AND sneeze into my elbow.

Wearing a Mask

I will wear mask on my nose and mouth at all times, except when it's time to eat.

Telling a grown-up If I'm feeling sick.

Whether it's a teacher or parent, I will always tell someone so they can help take care of me, even if I just feel a little sick.

I will keep up my safe behaviors outside of school too!

Even when not in school, I will mask and social distance with those not in my family so we can all stay safe.
